

```
1 class Node {  
2     String item;  
3     int line;  
4     Node next;  
5     public Node(String item, int line, Node next) {  
6         this.item=item;  
7         this.line=line;  
8         this.next=next;  
9     }  
10 }
```
